KS2 LESSON PLAN: ALL ABOUT GRATITUDE

LESSON OBJECTIVES

- ★ To learn what it means to be 'grateful' and to learn about different ways to express gratitude and be thankful.
- ★ To learn what an 'affirmation' is and when we might use them.

KEY OUTCOMES

- 🔑 Establish what the word Gratitude means and to be able to write at least three things students feel grateful for.
- 🔑 Learn about and encourage students to use affirmations.

MAIN ACTIVITY OPTIONS

Choose one or more of the following gratitude activities to share with your class and print out any handouts included in this lesson plan.

ACTIVITY 1:

THINK HAPPY THOUGHTS (5-10 MIN)

♥ Ask students about some of the things that make them happy. This can include big constant things (like their bedrooms or their family) or smaller day to day things (like their games or someone being nice to them). Give examples of things that you might be grateful/thankful for.

Then, allow the students to get into pairs or threes and share some of the things they each feel makes them happy. After 5 minutes, ask pupils to share one thing they found out about a person in their pair/group that makes them happy.

For example: Mark, who is in a group with Ella and Reece might say: "Ella said that listening to music makes her feel happy"

Some useful prompts might include:

"I am grateful for Mom and Dad when..."

"I am grateful to learn..."

"I am grateful to eat..."

"I am grateful for my favorite..."

It may be helpful for some children to have answers written on the board at the front.

ACTIVITY 2:

NAME 3 THINGS YOU FEEL GRATEFUL FOR (10 MIN)

♥ Using the printable handout on the next page, ask the students to think about today's topic on Gratitude, and to give examples from earlier discussions on the different kinds of things people can be grateful for.

This activity can also be broken down a step further, by asking pupils to recap in pairs/threes.

Encourage pupils to then write down up to three things they feel grateful for.

ACTIVITY 3: WRITE AN AFFIRMATION (5-10 MIN)

♥ Ask the students about their understanding of the word Affirmation. Remind students that it's important to be kind to ourselves and the best way to do that is through affirmations. Ask the students to complete the following prompt: "I am..." and write the responses on the board at the front.

I AM

LOVED

AWESOME

BEAUTIFUL

SMART

UNIQUE

COURAGEOUS

CREATIVE

ACTIVITY 4: JOURNAL (10-15 MIN)

- ♥ Ask the students to journal how they are feeling and write down some of the good things that have happened today along with an affirmation of their choice. Words can be taken from the list on page 5.

Their chosen affirmation will be their prompt to say everyday for the week, encouraging them to talk positively to themselves.
